Titan Parents,

I personally want to say thank you to all the parents for your constant support and dedication to our students' success. I consider myself privileged in the trust you put in me by sending your children to Renaissance Charter School at Tapestry.

I loved being part of this community for the past two years, but I have decided to pursue another path. I am very sad to say good-bye to the many people I have had the privilege of meeting and working with over the past two years. For me, this school has been an exciting place as we have implemented many initiatives and prepared for the new school year. Together we emphasized the importance of sharing, supporting each other, looking for positive learning opportunities for everyone, and collaborating with the whole school community to embrace literacy and our science focus on STEM.

Thank you for your on-going support and cooperation. I will miss the exceptional people I have met over the past two years and will always treasure the many fond memories of the students, parents, family members, and staff!

Sincerely,

Alma Lazarini, Eds
Proud Principal
